UX/UI DESIGNER & ILLUSTRATOR

email: annie.venegas11@gmail.com mobile: +52 1 312 176 470 [linkedin.com/in/ainiven](https://www.linkedin.com/in/ainiven)

SKILLS & ABILITIES

- Creation and use of **style guides & design systems**.
- **Illustration** (in both digital & traditional techniques).
- **Design thinking**.
- UX Research.
- Proficient at designing and traducing concepts into **mockups, user flows, prototypes** and **wireframes**.

WORK EXPERIENCE

May 2021 - Now

Web designer and UI Auditor in DUDE Agency

I currently collaborate making high fidelity mockups in Adobe Xd and Figma for clients in the U.S. and Canada following industry standards and taking into account the usability heuristics. I also run UI audits on websites to improve the user experience, and do diverse design related activities.

January - September 2021

Freelance web and graphic designer

Collaborated with business ventures' branding projects and web interface design with a human centered focus.

SOFTWARE

- Creative Cloud (Creative Suite)
- Figma, Sketch, Adobe Xd
- Zeplin
- Clip Studio Paint, Fire Alpaca, Paint Tool SAI
- Visual Studio Code, GitHub

EDUCATION

2021

Web development bootcamp - BEDU

In this bootcamp I learned how to create functional websites using HTML, CSS, SASS, JavaScript, and Bootstrap; we reviewed and learned the fundamentals of front end web development. We also worked in a team web app project.

2021

UX/UI certification - BEDU

In this bootcamp with certification I learned how to design with a human centered focus, using the design thinking methodology. We reviewed UX Research methods and also worked in a personal mobile app project from the concept to completion.

CODING

- HTML, CSS, SASS
- JavaScript
- Bootstrap

2014 - 2017

Graphic Design degree - Universidad Vizcaya de las Américas
